Luxury meets contemporary design in our latest property in Los Cabos that looks out over the majestic panorama of the unique landscape, from desert to sea and mountains.

Journey through our impressively-designed new residential complex with 320 spacious condos. Each condo comes with a generous terrace with the Baja sunsets and the Arch of Los Cabos as a backdrop.

The geometric architecture of this new Tao project, as well as its privileged ocean-view location, allow a natural air flow, delivering a refreshing breeze to each room in the house.

Enjoy luxurious pools and amenities from 360-degree infinity pools to kids' areas and jacuzzis. These areas create a brilliant contrast to the breathtaking Los Cabos terrain, dotted with cacti and regional vegetation, that remind us of the magical latitude where we live. Among the additional amenities offered by Monte Rocella condos include rest areas, game rooms, gym, a peaceful and balanced yoga room, a walk-up outdoor bar and a coworking space.
